# Comment bénéficiaire de l'accord Couperin et publier en libre accès avec Elsevier?

Parcours Auteur

# 1. Notions clés:

Terminologie	Définition
Submitting Corresponding Author / Auteur Correspondant	<p>“Submitting corresponding author” est l’auteur qui soumet l’article à Elsevier et qui reste en contact avec l’éditeur du début à la fin.</p> <p>C'est l'auteur qui fait le choix de la publication au nom du groupe d'auteurs.</p> <p>Chaque article a un auteur correspondant.</p>
Acceptance Date	<p>Il s'agit de la date à laquelle la revue accepte l'article pour publication.</p>
Elsevier OA Platform	<p>Elsevier OA Platform (EOAP) est une interface simple qui présente aux administrateurs institutionnels les articles en libre accès éligibles à l'accord.</p> <p>Les administrateurs de l'institution valident l'éligibilité de l'auteur à un accord OA.</p>
Gold Open Access	<p>La version finale de l'article publié est mise gratuitement et immédiatement à la disposition de toutes et tous. Un auteur peut publier en « Gold Open Access » dans une revue Open Access OU dans une revue Hybride qui offre un Open Access.</p>

## 2. Critères d'éligibilité:

Critère	Description
Acceptance date	La date d'acceptation de l'article doit se situer dans la période de souscription de votre institution.
Author affiliation	L'auteur correspondant doit être affilié à une institution participant à l'accord.
Journal title	L'article doit être soumis et accepté dans une revue participante.
APC available	Il reste des APC pour l'année en cours.

### 3. Aperçu de l'accord:

Journal Bucket	Agreement
Core Hybride/ Core Gold	Les auteurs correspondants éligibles ont le coût de publication en libre accès (APC) couvert par l'accord après validation dans EOAP. Quota centralisé de 11138/11268/11410/11566 pour 2024-2027
Cell Press/Lancet Hybride et Gold	Les auteurs correspondants éligibles bénéficient d'une réduction de 10 % lors de la validation dans EOAP.

### Your Status

- I am one author signing on behalf of all co-authors of the manuscript

### License of Publishing Rights

I hereby grant to Elsevier B.V. an irrevocable non-exclusive license to publish, distribute and otherwise use all or any part of the manuscript identified above and any tables, illustrations or other material submitted for publication as part of the manuscript (the "Article") in all forms and media (whether now known or later developed) in all languages, throughout the world, for the full term of copyright, and the right to license others to do the same, effective when the Article is accepted for publication.

I acknowledge the importance of the integrity, authenticity and permanence of the scholarly record and agree that the version of the Article that appears or will appear in the journal and embodies all value-adding publisher activities (including peer review co-ordination, copy-editing, formatting, (if relevant) pagination, and online enrichment) shall be the definitive final record of published research ("the Published Journal Article").

I further acknowledge and agree that nothing in this Agreement shall be deemed to permit redundant/duplicate publication of the Article in violation of publishing ethics principles, as further described below.

### Supplemental Materials

"Supplemental Materials" shall mean materials published as a supplemental part of the Article, including but not limited to graphical, illustrative, video and audio material.

**Le système présente  
l'accord de publication de la  
licence du journal.**

**L'accord de licence non  
exclusive pour la licence CC

## L'auteur indique l'acceptation des Termes et Conditions

### Author representations

- The Article I have submitted to the journal for review is original, has been written by the stated authors and has not been previously published.
- The Article was not submitted for review to another journal while under review by this journal and will not be submitted to any other journal.
- The Article and the Supplemental Materials do not infringe any copyright, violate any other intellectual property, privacy or other rights of any person or entity, or contain any libellous or other unlawful matter.
- I have obtained written permission from copyright owners for any excerpts from copyrighted works that are included and have credited the sources in the Article or the Supplemental Materials.
- Except as expressly set out in this License Agreement, the Article is not subject to any prior rights or licenses which conflict with the terms of this License Agreement.
- If I and/or any of my co-authors reside in Russia, Belarus, Iran, Cuba, or Syria, the Article has been prepared in a personal, academic or research capacity and not as an official representative or otherwise on behalf of the relevant government or institution.
- If I am using any personal details or images of patients, research subjects or other individuals, I have obtained all consents required by applicable law and complied with the publisher's policies relating to the use of such images or personal information. See <https://www.elsevier.com/about/our-business/policies/patient-consent> ↗ for further information.
- Any software contained in the Supplemental Materials is free from viruses, contaminants or worms.
- If the Article or any of the Supplemental Materials were prepared jointly with other authors, I have informed the co-author(s) of the terms of this License Agreement and that I am signing on their behalf as their agent, and I am authorized to do so.

### Governing Law and Jurisdiction

This License Agreement will be governed by and construed in accordance with the laws of the country or state of Elsevier B.V. ("the Governing State"), without regard to conflict of law principles, and the parties irrevocably consent to the exclusive jurisdiction of the courts of the Governing State.

For information on the publisher's copyright and access policies, please see <http://www.elsevier.com/copyright> ↗.

I have read and agree to the terms of the License Agreement.
